Особливості американського способу життя. Відмінності у звичаях та традиціях

The society or culture of the United States is a Western culture, and has been developing since long before the United States became a country with its own unique characteristics and developments such as dialect, music, arts, cuisine, etc. Today the United States of America is a diverse and multi-cultural country as result of mass scale immigration from very many countries throughout its history.

I want to talk about the main parts of American culture. There are religion, national holidays, food, sports and community.

Among developed countries, the US is one of the most religious in terms of its demographics. There are a lot of churches everywhere in USA of every religion. Most of American families go to their church every Sunday morning. 75% of Americans follow Christian religions; among them 51% are Protestants.

The United States observes holidays derived from events in US history, religious traditions. Thanksgiving has become a traditional American holiday which evolved from the will of English

pilgrims to “give thanks” for their welfare. Today, Thanksgiving is generally celebrated as a family reunion with a large afternoon feast. European colonization has led to many traditional Christian holidays such as [Easter](#) , [Lent](#) , [St. Patrick's Day](#) , and Christmas to be widely observed albeit they are celebrated in a secular manner by many people today. Independence Day (colloquially known as the [Fourth of July](#)) celebrates the anniversary of the country's Declaration of Independence from the [Kingdom of Great Britain](#). Mardi Gras, which evolved from the Catholic tradition of [Carnival](#) , is observed notably in [New Orleans](#) , St. Louis, and [Mobile, AL](#) as well as numerous other towns. Texas still observes the anniversary of its [Independence Day](#) from Mexico.

Traditional American cuisine uses ingredients such as turkey , white-tailed deer venison , potatoes , sweet potatoes , corn , squash, and maple syrup , indigenous foods employed by American Indians and early European settlers. Slow-cooked pork and beef barbecue, crab cakes, potato chips, and chocolate chip cookies are distinctively American styles. Iconic American dishes such as apple pie , fried chicken , pizza , hamburgers , and hot dogs. Traditional Thanksgiving dinner with Turkey, dressing, sweet potatoes, and cranberry sauce. Typical seafood is fried fish, shrimp and fries.

The opening of [College football](#) season is a major part of American culture and tradition. Massive [marching bands](#) accompanied by [cheerleaders](#) and colorguard are almost universal at [American Football](#) games, especially during [halftime](#).

[Baseball](#) is the oldest of the major American team sports. Bowling is a popular pastime for Americans of all ages.

Homecoming is an annual tradition of the [United States](#) . People, towns, high schools and colleges come together, usually in late September or early October, to welcome back former residents and [alumni](#). When celebrated by schools, the activities vary widely. However, they usually consist of a football game played on the school's home football field, activities for students and alumni, a parade featuring the school's marching band and sports teams, and the coronation of a Homecoming Queen (and at many schools, a Homecoming King).
